

Here's a One Time Special Offer If You're Not a Member of the National Association of Marketing Consultants and You're Not Able to Listen to This Interview Live!

We know you might not be able to listen in on Elizabeth telling you first-hand how you can easily attract clients, without spending a dime in advertising or attending non-productive networking events, at the time it's scheduled; or maybe you just want to be able to listen to the call and read the transcript multiple times, so that you can really learn and implement all the good stuff that Elizabeth is teaching.

So, we have a special offer for you!

We'll be recording this call, and it will also be transcribed. That way the people who want to get all the information won't miss a thing, if they can't make the scheduled call for some reason.

By purchasing a digital copy of the recording and transcript, you'll be able to listen over and over again, whether it be in your car, iPod, or other MP3 device. For those of you who are visual, you'll be able to read and highlight the material as much as you please, at your leisure.

One Time Offer Only – Purchase both for \$19.95

If you act RIGHT NOW, we've got a special price for the downloadable MP3 and PDF Transcript of Elizabeth's teleseminar. If you purchase right now on this page, we'll give you our pre-order discount price of only \$19.95.

This offer is only valid while you're on this page. If you decide to pass up this offer, you can still purchase the MP3 and PDF later, but it will be at least \$24.95 – once you leave this page.

Of course, if you join the National Association of Marketing Consultants for the low price of \$177 for a 12 month membership (after taking the Member Survey on the right sidebar of our website), you will receive FREE (included in your membership) ALL the monthly Business Building Expert Teleseminars *and* all the other benefits that are listed on our website. To get more information, and to join our NAMC community, [Click Here](#).

SAVE by reserving your digital copy now or get it FREE as part of the member benefits when you join the NAMC!

*****Please note*** Action required to be on the FREE Call –** You will receive a Confirmation email at the address you just provided. You must open that email and click on the Confirmation link (so the email service provider knows you are the owner of that email address). This will allow us to send you the call-in information and access codes. If you do not click on the Confirmation link, we are not able to send you the call-in details.

If you choose to only listen to the call live, and you miss the call, you will only have access to the downloadable MP3 and PDF transcript by paying for them later at a higher price.
